2. Copyright assignment agreement.

I/We hereby assign world-wide copyright of the article named above (the Work) in all forms of media, whether now known or hereafter developed, to the publishing organisation, TERENA. I/We understand that TERENA will act on my/our behalf to publish, reproduce, distribute and transmit the Work and will authorise other reputable third parties (such as document delivery services) to do the same, ensuring access to and maximum dissemination of the Work.

This assignment of copyright to TERENA is done so on the understanding that permission from TERENA is not required for me/us to reproduce, republish or distribute copies of the Work in whole or in part. I/We will ensure that all such copies carry a notice of copyright ownership and reference to the original journal publication. I/We will not deposit the final version of the Work into a subject or institutional repository until the Work has been published by TERENA either online or in print.

I/We warrant the Work has not been published before in its current or a substantially similar form and is not under consideration for another publication, does not contain any unlawful statements and does not infringe any existing copyright. I/We warrant that 'proof of consent' has been obtained for studies of named organisations and people. All authors have received a final version of the Work, take responsibility for the content and agree to its submission. I/We also warrant that I/We have obtained the necessary permission from the copyright holder/s to reproduce in the article, in all media in all countries, and transmit via all reputable third parties, any materials including tables, diagrams or photographs not owned by me/us. (Please attach any permission documents.) I/We assert my/our moral rights to be identified as the author/s of the Work, in accordance with the Directive 2001/29/EC. I/We acknowledge that TERENA will ensure fair and faithful representation of my/our Work in all media and will take the necessary steps to protect the Work from unlawful copying.
